Fifty bandits awooped down Blocker, near Engle Pass, looted the stores of the Blocker and Ford ranches and made off with a number of horses. There were no fatalities according to advices reaching the

Another band of forty Mexicans crossed the border between Del Rio and Eagle Pass and rode up and down the river for several miles. They crossed back into Mexico without doing any apparent damage.

Civilians along the border banded together for protection when it became known that there are two armed Mexican forces not far from the Big Bend border. One force was reported between Boquillas and Olinaga, Mexleo, and another a short distance west of Olinaga. A man calling himself Villa Nueva, "New Villa," is said to be in command of one of the bands. numbering 1,000 men. A number of small settlements within striking distance of the Mexican camps have propared to fight to prevent the bands from crossing the border in their

AMERICANS WARNED TO LEAVE MEXICO AS TROOPS GATHER.

WASHINGTON, May 11. - New warning to Americans to quit Mexico has been forwarded to Consuls by the State Department, it was officially admitted to-day. This action was taken by calling their attention to orders hitherto given.

Developments which caused massing of new troops along the border were responsible for the reiteration of the warning to get out of Mexico. While officials inclined to believe that Gen. bcott's conference with Gen. Obregon to-day might be satisfactory, the Mexican insistence upon a time limit for the stay of Americans caused an uneasiness which resulted Girls Weep as Third Infantry money paid directly or indirectly, in the double move.

American Consuls, under their original instructions to warn Americans from Mexico, were authorized to leave Hundreds of girls were at the post to their posts and return to the United and them goodbye and tears flowed freely wrongful "commitments and obligation of the commitments are committed as a commitment of the c States if they deem it necessary for

Reports compiled several weeks ago show there are less than 3,000 Americans remaining in Mexico, This number probably has been reduced since the census was taken.

for the withdrawal of troops.

President Wilson's patience with Carrange is exhausted, and the Administration has no intention of humoring the "First Chief." The Presimoring the "First Chief." The President is satisfied Carranza's atubbornness must be met with absolute firmness. He is willing to give Carranza credit for killing or capturing Villa, but Carranza must act quickly. Veiled threats to attack American troops will not hasten their departure LANSING DENIES PEACE TALK.

Secretary Baker to-day directed that militiamen called for border duty shall serve for the period of their

Q. Did you expect that the Mayor would recede from the position he took when he wrote "Looting New York," and vote for your proposition? A. I knew nothing about that. All I wanted of the Mayor was that he

NO MORE GRAY HAIR

Simple and Effective Mixture Can Be Prepared at Home That Soon Darkens the Silver Locks.

Gray, streaked and faded hair is as unsightly as it is unnecessary. Youth is our greatest asset, and we should preserve it and prolong it by every proper means available. Here is a remarkably good recipe, simple and inexpensive, which can be readily prepared at your own home. pared at your own home. To a half pint of water add:

Glycerine 1 oz. Bay Rum 1 oz. Barbo Compound

1 small box You can get these ingredients at any drug store, and the preparation will be just as efficacious for removing dandruff, stopping falling hair and other scalp ailments as for darkening gray hair. Apply it once a day until the hair reached the desired shade, and then one application every other week will be all that is needed. Be sure to try this. It's fine.—Advt.
